YEAVOICE, LLC TERMS OF SERVICE

These Terms of Service constitute the agreement ("Agreement") between YeaVoice, LLC. ("we," "us" or "YeaVoice, LLC ") and the user ("you," "user" or "Customer") of YeaVoice, LLC business communications services and any related products or services ("Service"). This Agreement governs both the Service and any devices, such as an IP phone, Multimedia Terminal Adapter, Analog Telephone Adapter or any other IP connection device ("Device" or "Equipment"), used in conjunction with the Service. If you purchased Equipment from a retail store, dealer or other provider other than YeaVoice, LLC, you are a "Retail Customer" for purposes of this Agreement.

BY ACTIVATING OR USING THE SERVICE, YOU REPRESENT THAT YOU ARE OF LEGAL AGE TO ENTER INTO THIS AGREEMENT AND THAT YOU HAVE READ AND UNDERSTAND FULLY THE TERMS AND CONDITIONS OF THIS AGREEMENT.

1. EMERGENCY SERVICES - 911 DIALING

1.1 Non-Availability of Traditional 911 or E911 Dialing Service. The Service does not support traditional 911 or E911 access to emergency services in all locations. Where we do not offer traditional 911 or E911 access, we offer a feature known as "911 Dialing" which is a limited emergency calling service available only on YeaVoice, LLC -certified Devices or Equipment. The 911 Dialing feature may not work at all when used in conjunction with a SIP Trunk, Virtual Numbers or Subscriber provided Customer Premise Equipment. Our 911 Dialing feature is not automatic; you must separately take affirmative steps, as described in this Agreement and on our website, to register the address where you will use the Services in order to activate the 911 Dialing feature. You must do this for each YeaVoice, LLC phone number that you obtain. The 911 Dialing feature of the Service is different in a number of important ways from traditional 911 or E911 service as described on our website page for 911 Dialing under "Features," and below. You shall inform any household residents, guests and other third persons who may be present at the physical location where you utilize the Service of (i) the non-availability of traditional 911 or E911, and (ii) the important differences in and limitations of the YeaVoice, LLC 911 Dialing feature as compared with traditional 911 or E911 dialing. The documentation that accompanies each Device that you purchase should include a sticker concerning the potential non-availability of traditional 911 or E911 dialing (the "911 Sticker"). It is your responsibility, in accordance with the instructions that accompany each Device, to place the 911 Sticker on each Device that you use with the Service. If you did not receive a 911 Sticker with your Device, or you require additional 911 Stickers, please contact our customer care department at Reseller Phone.

1.2 Registration of Physical Location Required. For each phone number that you use for the Service, you must register with YeaVoice, LLC the physical location where you will be using the Service with that phone number. When you move the Device to another location, you must register your new location. If you do not register your new location, any call you make using the 911 Dialing feature may be sent to an emergency center near your old address. You will register your initial location of use when you subscribe to the Service. Thereafter, you may register a new location by following the instructions from the "911" registration link on your YeaVoice, LLC web account dashboard features page. For purposes of the 911 Dialing feature, you may only register one location at a time for each phone line you use with the Service.

1.3 Confirmation of Activation Required. Your 911 Dialing feature will not be activated for any phone line that you are using with the Service, unless and until you receive an email from us confirming that the 911 Dialing feature has been activated for that phone line.

1.4 How Emergency Personnel are Contacted. We contract with a third party to use the address of your registered location to determine the nearest emergency response center and then forward your call to a general number at that center. When the center receives your call, the operator will not have your address and may not have your phone number. You must therefore provide your address and phone number in order

to get help. Some local emergency response centers may decide not to have their general numbers answered by live operators 24 hours a day. If we learn that this is the case, we will send your call instead to a national emergency calling center and a trained agent will contact an emergency center near you to dispatch help. You hereby authorize us to disclose your name and address to third-party service providers, including, without limitation, call routers, call centers and public service answering points, for the purpose of dispatching emergency services personnel to your registered location.

1.5 Service Outages.

(a) Service Outages Due to Power Failure or Disruption. 911 Dialing does not function in the event of a power failure or disruption. If there is an interruption in the power supply, the Service, including 911 Dialing, will not function until power is restored. Following a power failure or disruption, you may need to reset or reconfigure the Device prior to utilizing the Service, including 911 Dialing.

(b) Service Outages Due to Internet Outage or Suspension or Termination of Broadband Service or ISP Service. Service outages or suspensions or terminations of service by your broadband provider or ISP will prevent all Service, including 911 Dialing, from functioning.

(c) Service Outage Due to Suspension or Termination of Your YeaVoice, LLC Account. Service outages due to suspension or termination of your account will prevent all Service, including 911 Dialing, from functioning.

(d) Service Outages Due to ISP or Broadband Provider Blocking of Ports or Other Acts. Your ISP or broadband provider or other third party may intentionally or inadvertently block the ports over which the Service is provided or otherwise impede the usage of the Service. In that event, provided that you alert us to this situation, we will attempt to work with you to resolve the issue. During the period that the ports are being blocked or your Service is impeded, and unless and until the blocking or impediment is removed or the blocking or impediment is otherwise resolved, your Service, including the 911 Dialing feature, may not function. You acknowledge that YeaVoice, LLC is not responsible for the blocking of ports by your ISP or broadband provider or any other impediment to your usage of the Service, and any loss of service, including 911 Dialing, that may result. In the event you lose service as a result of blocking of ports or any other impediment to your usage of the Service, you will continue to be responsible for payment of the Service charges unless and until you terminate the Service in accordance with this Agreement.

(e) Other Service Outages. If there is a Service outage for any reason, such outage will prevent all Service, including 911 Dialing, from functioning. Such outages may occur for a variety of reasons, including, but not limited to, those reasons described elsewhere in this Agreement.

1.6 Re-Activation Required if You Change Your Number or Add or Port New Numbers. 911 Dialing does not function if you change your phone number or if you add or port new phone numbers to your account, unless and until you successfully register your location of use for each changed, newly added or newly ported phone number.

1.7 Network Congestion; Reduced Speed for Routing or Answering 911 Dialing Calls. There may be a greater possibility of network congestion and/or reduced speed in the routing of a 911 Dialing call made utilizing the Service as compared to traditional 911 dialing over traditional public telephone networks.

1.8 Possible Lack of Automatic Number Identification. It may or may not be possible for the local emergency personnel to automatically obtain your phone number when you use 911 Dialing. Our system is configured to send the automatic number identification information; however, one or more telephone companies, not us, route the traffic to the emergency response center and that center may not be capable of receiving and passing on that information. As a result, the operator who answers your 911 Dialing call may not be able to automatically obtain your phone number and call you back if the call is not completed or is not forwarded, is dropped or disconnected, if you are unable to speak to tell the operator your phone number, or if the Service is not operational for any reason.

1.9 No Automated Location Identification. In most service areas, it is not possible at this time to transmit to the local emergency response center the address that you registered for 911 Dialing. You will need to

state the nature of your emergency promptly and clearly, including your location (and possibly your telephone number), as the operator will not have this information. Emergency personnel will not be able to find your location if the call is not completed or is not forwarded, is dropped or disconnected, if you are unable to speak to tell the operator your location, or if the Service is not operational for any reason.

1.10 Disclaimer of Liability and Indemnification. We do not have any control over whether, or the manner in which, calls using our 911 Dialing service are answered or addressed by any local emergency response center. We disclaim all responsibility for the conduct of local emergency response centers and the national emergency calling center. We rely on third parties to assist us in routing 911 Dialing calls to local emergency response centers and to a national emergency calling center. We disclaim any and all liability or responsibility in the event such third party data used to route calls is incorrect or yields an erroneous result. Neither YeaVoice, LLC nor its officers or employees may be held liable for any claim, damage, or loss, and you hereby waive any and all such claims or causes of action, arising from or relating to our 911 Dialing service unless such claims or causes of action arose from our gross negligence, recklessness or willful misconduct. You shall defend, indemnify, and hold harmless YeaVoice, LLC, its officers, directors, employees, affiliates and agents and any other service provider who furnishes services to you in connection the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, attorneys fees) by, or on behalf of, you or any third party relating to the absence, failure or outage of the Service, including 911 Dialing, incorrectly routed 911 Dialing calls, and/or the inability of any user of the Service to be able to use 911 Dialing or access emergency service personnel.

1.11 Alternate 911 Arrangements. If you are not comfortable with the limitations of the 911 Dialing service, you should consider having an alternate means of accessing traditional 911 or E911 services or terminating the Service.

2. SERVICE

2.1 Term. Service is offered on a monthly basis for a term that begins on the date that YeaVoice, LLC activates your Service and ends on the day before the same date in the following month. Subsequent terms of this Agreement automatically renew on a monthly basis unless you give us written notice of non-renewal at least ten (10) days before the end of the monthly term in which the notice is given. You will also be responsible for the next full month's charges in the event that you do not provide the requisite ten-days' notice of termination prior to the expiration of the then-current term. (a) **Unlawful.** You shall use the Service and the Device only for lawful purposes. In the event of such termination, you will be responsible for the full month's charges to the end of the current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will become immediately due and payable upon termination of your Service. If we believe that you have used the Service or the Device for an unlawful purpose, we may forward the relevant communication and other information, including your identity, to the appropriate authorities for investigation and prosecution. You hereby consent to our forwarding of any such communications and information to these authorities. In addition, YeaVoice, LLC will provide information in response to law enforcement requests, subpoenas, court orders, to protect its rights and property and in the case where failure to disclose the information may lead to imminent harm to the customer or others.

(b) **Inappropriate Conduct.** You shall not use the Service or the Device in any way that is threatening, abusive, harassing, defamatory, libelous, deceptive, fraudulent, invasive of another's privacy, or any similar behavior. We reserve the right to immediately terminate your Service if, in our sole and absolute discretion, we determine that you have used the Service or the Device in any of the aforementioned ways. 2.5 Use of Service and Device by Customers Outside the United States. We allow use of the Service inside or outside of the United States; we do not presently offer support for use of Service in any countries other than the United States and Canada. If you use the Service or the Device outside of the United States or Canada, you will be solely responsible for any activity that violates the laws of the country where you do so, and/or violates the export laws of the United States and/or the import laws of that other country. We reserve the right to terminate your Service immediately if we determine, in our sole and absolute discretion, that you have used the Service or the Device outside of the United States or Canada in a way or manner that could potentially adversely affect YeaVoice, LLC, its officers, or vendors.

2.6 Copyright; Trademark; Unauthorized Usage of Device; Firmware or Software.

(a) Copyright; Trademark. The Service and Device and any firmware or software used to provide the Service or provided to you in conjunction with providing the Service, or embedded in the Device, and all Services, information, documents and materials on our websites are protected by trademark, copyright or other intellectual property laws and international treaty provisions. All of our websites, corporate names, service marks, trademarks, trade names, logos and domain names (collectively "marks") are and will at all times remain our exclusive property. Nothing in this Agreement grants you the right or license to use any of our marks.

(b) Unauthorized Usage of Device; Firmware or Software. Other than for SIP Trunk customers, you have not been granted any license to use the firmware or software used to provide the Service or provided to you in conjunction with providing the Service, or embedded in the Device, other than a nontransferable, revocable license to use such firmware or software in object code form (without making any modification thereto) strictly in accordance with the terms and conditions of this Agreement. Other than for SIP Trunk customers, you expressly agree that the Device is exclusively for use in connection with the Service and that we will not provide any passwords, codes or other information or assistance that would enable you to use

the Device for any other purpose. We reserve the right to prohibit the use of any interface device that we have not provided to you. You hereby represent and warrant that you possess all required rights, including software and/or firmware licenses, to use any interface device that we have not provided to you. In addition, you shall indemnify and hold us harmless against any and all liability arising out of your use of such interface device with the Service. You shall not reverse compile, disassemble or reverse engineer or otherwise attempt to derive the source code from the binary code of the firmware or software.

2.7 Tampering with the Device or Service. You shall not change the electronic serial number or equipment identifier of the Device or to perform a factory reset of the Device without our prior written consent. We reserve the right to terminate your Service if we believe, in our sole and absolute discretion, that you have tampered with the Device. In the event of such termination, you will remain responsible for the full month's charges to the end of the current term, including, without limitation, unbilled charges, plus a termination fee, if applicable, all of which will immediately become due and payable. You shall not attempt to hack or otherwise disrupt the Service or make any use of the Service that is inconsistent with its intended purpose.

2.8 Theft of Service. You shall notify us immediately, in writing or by calling our customer support line, if the Device is stolen or if you become aware at any time that your Service is being stolen, fraudulently used or otherwise being used in an unauthorized manner. When you call or write, you must provide your account number and a detailed description of the circumstances of the Device theft, fraudulent use or unauthorized use of Service. Failure to do so in a timely manner may result in the termination of your Service and additional charges to you. Until such time as we receive notice of the theft, fraudulent use or unauthorized use, you will be liable for all use of the Service using a Device stolen from you and any and all stolen, fraudulent or unauthorized use of the Service.

2.9 Return of Device (Does Not Apply to SIP Trunk Customers)

(a) Retail Customers. A Retail Customer may only return the Device to the retail store, dealer or other provider from which the Retail Customer purchased the Device. All returns will be subject to the return policy of such retail store, dealer or other provider. We will not accept any Device returned to us from a Retail Customer.

(b) Non-Retail Customers. Non-Retail Customers may return the Device to us within fourteen (14) days of the termination of Service to receive a credit for the \$99.99 termination fee (See Section 3.6) provided that:

- the Service is terminated within the first thirty (30) days following the activation of the Service;
- the Device is in original condition, reasonable wear and tear excluded;
- the original proof of purchase is returned with the Device, together with the original packaging, all parts, accessories, and documentation;

- prior to returning the Device to us, you obtain a valid return authorization number from our customer care department, which can be reached at support@yeavoice.com, Customer to pay all costs of shipping the Device back to us.

If you disconnect multiple lines, we will issue you a credit for all termination fees upon receipt of all Devices in accordance with the requirements set forth above.

If you receive cartons or Devices that are visibly damaged, you must note the damage on the carrier's freight bill or receipt and keep a copy. In such event, you must keep the original carton, all packing materials and parts intact in the same condition in which they were received from the carrier and contact our customer care department immediately at support@yeavoice.com or help.yeavoice.com and open a ticket.

2.10 Number Transfer on Service Termination. Upon the termination of your Service, we may, in our sole and absolute discretion, release to your new service provider the telephone number that you ported (transferred or moved over) to us from your previous service provider and used in connection with your Service if:

- such new service provider is able to accept such number;
- your account has been properly terminated;
- your account is completely current, including payment for all charges and applicable termination fees; and
- you request the transfer upon terminating your account.

2.11 Service Distinctions. The Service is not a telecommunications service and we provide it on a best-efforts basis. Important distinctions exist between telecommunications service and the Service offering that we provide. The Service is subject to different regulatory treatment than telecommunications service. This treatment may limit or otherwise affect your rights of redress before regulatory agencies.

2.12 Ownership and Risk of Loss. You will own the Device and bear all risk of loss of, theft of, casualty to or damage to the Device, from the time it is shipped to you until the time (if any) when it is returned to us in accordance with this Agreement.

2.13 No 0+ or Operator Assisted Calling; May Not Support x11 Calling. The Service does not support 0+ or operator assisted calling (including, without limitation, collect calls, third party billing calls or calling card calls). The Service may not support 311, 511 and/or other x11 (other than certain specified dialing such as 911 and 411, which are provided for elsewhere in this Agreement) services in one or more (or all) service areas.

2.14 No Directory Listing. The phone numbers you obtain from us will not be listed in any telephone directories. Phone numbers transferred from your local phone company may, however, be listed. As a result, someone with your phone number may not be able to utilize a reverse directory to lookup your address.

2.15 Incompatibility With Other Services.

(a) **Home Security Systems.** The Service may not be compatible with home security systems. You may be required to maintain a telephone connection through your local exchange carrier in order to use any alarm monitoring functions for any security system installed in your home or business. You are responsible for contacting the alarm monitoring company to test the compatibility of any alarm monitoring or security system with the Service.

(b) **Certain Broadband and Cable Modem Services.** You acknowledge that the Service presently is not compatible with prior versions of the AOL broadband service and there may be other services with which the Service may be determined to be incompatible. You further acknowledge that some providers of broadband service may provide modems that prevent the

transmission of communications using the Service. We do not warrant that the Services will be compatible with all broadband services and expressly disclaim any express or implied warranties regarding the compatibility of the Service with any particular broadband service.

3. CHARGES; PAYMENTS; TAXES; TERMINATION

3.1 Billing. When the service is activated, you must provide us with a valid email address and a credit or debit card number from a card issuer that we accept. We reserve the right to stop accepting credit or debit cards from one or more issuers. If your credit or debit card expires, you close your account, your billing address changes, or your credit or debit card is cancelled and replaced on account of loss or theft, you must

advise us at once. We will bill all charges, applicable taxes and surcharges monthly in advance (except for usage-based charges, which will be billed monthly in arrears, and any other charges which we decide to bill in arrears) to your credit or debit card, including but not limited to:

- activation fees;
- monthly Service fees;
- international usage charges;
- advanced feature charges;
- equipment purchases;
- termination fees; and
- shipping and handling charges.

The amount of such fees and charges shall be published on our website and may change from time to time. Notification of monthly invoices will be sent to you via your email address on file with us. We reserve the right to bill at more frequent intervals if the amount you owe to us at any time exceeds \$25. Any usage charges will be billed in increments that are rounded up to the nearest minute except as otherwise set forth in the rate schedules found on our website.

3.2 Billing Disputes. You must notify us in writing within seven days after receiving your credit or debit card statement if you dispute any YeaVoice, LLC charges on that statement or you will be deemed to have waived any right to contest such charges. All notices of disputed charges should be sent to:

Customer Care Billing Department YeaVoice, LLC
PO Box 381
Hamburg, NY 14075
-or- support@yeavoice.com

3.3 Payment and Collection.

(a) Payment. We only accept payment by credit or debit card. Your subscription to the Service authorizes us to charge your credit or debit card. This authorization will remain valid until 30 days after we receive written notice from you terminating our authority to charge your credit or debit card, whereupon we will charge your credit or debit card for the termination fee, if applicable, and any other outstanding charges and terminate your Service. We may terminate your Service at any time in our sole and absolute discretion if any charge to your credit or debit card is declined or reversed, your credit or debit card expires and you have not provided us with a valid replacement credit or debit card or in case of any other non-payment of account charges.

(b) Collection. If your Service is terminated, you will remain fully liable to us for all charges pursuant to this Agreement and any and all costs we incur to collect such amounts, including, without limitation, collection costs and attorney's fees.

3.4 Termination; Discontinuance of Service. We reserve the right to suspend or discontinue the Service generally, or to terminate your Service, at any time in our sole and absolute discretion. If we discontinue the Service generally, or terminate your Service without a stated reason, you will only be responsible for charges accrued through the date of termination,

including a pro-rated portion of the final month's charges. If your Service is terminated on account of your breach of any provision of this Agreement, you will be responsible for the full month's charges to the end of the current term, including, without limitation, unbilled charges, plus the termination fee, if applicable, all of which will immediately become due and payable.

3.5 Taxes. You are responsible for all applicable federal, state, provincial, municipal, local or other governmental sales, use, excise, value-added, personal property, public utility or other taxes, fees or charges now in force or enacted in the future, that arise from or as a result of your subscription or use or payment for the Service or a Device. Such amounts are in addition to payment for the Service or Devices and will be billed to your credit card as set forth in this Agreement. If you are exempt from payment of such taxes, you must provide us with an original certificate that satisfies applicable legal requirements attesting to tax-exempt status. Tax exemption will only apply from and after the date we receive such certificate.

3.6 Termination Fee (Does Not Apply to SIP Trunk Customers or MTM Customers). You will be charged a termination fee of \$99.99 per voice line if your Service is terminated for any reason during the first twelve months following the activation of your Service or the remainder of the contract, whichever is greater.

3.7 Money Back Guarantee; Limitations and Conditions.

(a) Residential and Business Customers. We offer a 30-day money back guarantee from the date of activation of your Service (different periods apply for Retail Customers depending on the applicable offer details contained in the advertising or online content of the retail store or dealer that sold the Retail Customer the Equipment). The money back guarantee applies only to the first-ordered line per account, not to additional or secondary lines. We will refund the activation fee, the monthly charge for the first month of Service, shipping charges and the termination fee provided that:

- you have not exceeded 250 minutes of usage;
- you cancel your Service within the applicable period;
- you return the Device to us in original condition, normal wear and tear excluded, within 14 days after the cancellation of your Service;
- the Device is returned in the original packaging with the UPC or bar code intact and is accompanied by all components, accessories, parts, manuals, registration cards and other documentation; and
- prior to returning the Device to us, you obtain a valid return authorization number from our customer care department, which can be reached at support@yeavoice.com or Reseller Phone.

Federal excise taxes and any other applicable taxes cannot be refunded. You will be responsible for any charges for international usage, payphone calls to YeaVoice, LLC toll free numbers and directory assistance. We reserve the right to terminate or revoke this money back guarantee at any time, without prior notice.

(b) SIP Trunk Money Back Guarantee. We offer SIP Trunk subscribers a 30-day money back guarantee from the date of activation of Service. The money back guarantee applies only to the first-ordered service package, not to additional or secondary orders. We will refund the activation fee and monthly charge for first month of Service provided that:

- your minutes of usage to not exceed 25% of your plan's free minutes; and
- you cancel your Service within the 30-day period.

Federal excise taxes and any other applicable taxes cannot be refunded. You will remain responsible for any charges for international usage, payphone calls to YeaVoice, LLC toll free numbers and directory

assistance. We reserve the right to terminate or revoke this money back guarantee at any time, without prior notice.

3.8 Payphone Charges. If you use our "Toll Free Plus" feature or any toll-free feature that we offer in the future, we will be entitled to recover from you any charges imposed on us either directly or indirectly in connection with toll free calls made to your number. We may recover these amounts by means of a per-call charge, rounded up to the next cent, or in such other fashion as we deem appropriate for the recovery of these costs.

3.9 Charges for Directory Calls (411). We will charge you \$3.00 for each call made to YeaVoice, LLC directory assistance.

4. LIMITATION OF LIABILITY; INDEMNIFICATION; WARRANTIES

4.1 Limitation of Liability. We will not be liable for any delay or failure to provide the Service, including 911 Dialing, at any time or from time to time, or any interruption or degradation of voice quality that is caused by any of the following:

- an act or omission of an underlying carrier, service provider, vendor or other third party;

- outage of, or blocking of ports by, your ISP or broadband service provider or other impediment to usage of the Service caused by any third party;

- any act or omission by you or any person using the Service or Device provided to you; or
- any other cause that is beyond our control, including, without limitation, a failure of or defect in any Device, the failure of an incoming or outgoing communication, the inability of communications (including, without limitation, 911 Dialing) to be connected or completed, or forwarded.

Our aggregate liability under this agreement will in no event exceed the Service charges with respect to the affected time period.

4.2 Disclaimer of Liability for Damages. IN NO EVENT WILL YEAVOICE, LLC , ITS OFFICERS, DIRECTORS, EMPLOYEES, AFFILIATES OR AGENTS OR ANY OTHER SERVICE PROVIDER WHO FURNISHES SERVICES TO YOU IN CONNECTION WITH THE SERVICE BE LIABLE FOR ANY DIRECT, INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES, OR FOR ANY OTHER DAMAGES, INCLUDING BUT NOT LIMITED TO PERSONAL INJURY, WRONGFUL DEATH, PROPERTY DAMAGE, LOSS OF DATA, LOSS OF REVENUE OR PROFITS, OR DAMAGES ARISING OUT OF OR IN CONNECTION WITH THE USE OR INABILITY TO USE THE SERVICE, INCLUDING INABILITY TO ACCESS EMERGENCY SERVICE PERSONNEL THROUGH THE 911 DIALING SERVICE OR TO OBTAIN EMERGENCY HELP. THE LIMITATIONS SET FORTH HEREIN

APPLY TO CLAIMS FOUNDED IN BREACH OF CONTRACT, BREACH OF WARRANTY, PRODUCT LIABILITY, TORT AND ANY AND ALL OTHER THEORIES OF LIABILITY AND APPLY WHETHER OR NOT WE WERE INFORMED OF THE LIKELIHOOD OF ANY PARTICULAR TYPE OF DAMAGES.

4.3 Indemnification and Survival.

- (a) Indemnification. You shall defend, indemnify, and hold harmless YeaVoice, LLC, its officers, directors, employees, affiliates and agents and any other service provider who furnishes services to you in connection with the Service, from any and all claims, losses, damages, fines, penalties, costs and expenses (including, without limitation, attorney fees) by, or on behalf of, you or any third party or user of the Service, relating to the Services, including, without limitation, 911 Dialing, or the Device.
- (b) Survival. The provisions of this Agreement that by their sense and context are intended to survive the termination or expiration of this Agreement shall survive.

4.4 No Warranties on Service. WE MAKE NO WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS OF THE SERVICE OR DEVICE FOR A PARTICULAR PURPOSE, TITLE OR NON-INFRINGEMENT OR ANY WARRANTY ARISING BY USAGE OF TRADE, COURSE OF DEALING OR COURSE OF PERFORMANCE OR ANY WARRANTY THAT THE SERVICE WILL MEET CUSTOMER'S REQUIREMENTS. WITHOUT LIMITING THE FOREGOING, WE DO NOT WARRANT THAT THE SERVICE OR DEVICE WILL BE WITHOUT FAILURE, DELAY, INTERRUPTION, ERROR, DEGRADATION OF VOICE QUALITY OR LOSS OF CONTENT, DATA OR INFORMATION.
